2024-2025 Inclement Weather Guidelines

Here is some information to keep you safe and weather aware at the ELC:

Inclement weather closing

1. If University of Delaware is closed, has an early dismissal, or delayed opening - the ELC will follow the University schedule.
2. On occasion, even if the University is open, the ELC may have a delayed opening or an early dismissal depending on the weather conditions. This ensures that staff are in place in the morning to greet children and that all children, families, and staff can safely travel home in the afternoon.

Schedule changes will be communicated in three ways

1. Email: You will receive an email from "Early Learning Center"
2. Telephone: Please call 302-831-6205 for updates through our voicemail
3. Facebook: Please join us at www.facebook.com/UDearlylearningcenter.

Any time there is a chance of inclement weather, be sure to check for updates prior to leaving home.

Thank you for your patience as we navigate these decisions on a case by case basis.
